ATTENTION: editors and reviewers, visit the Virtual Press Room at www.LittleMoosePress.com for online press releases and reproduction quality photos of the author and book covers.

E-mail us at info@LittleMoosePress.com for any additional materials. Thank you.

Anacacho smiles at you, gently beckons, then draws you in. And it's so subtle you don't even realize you're hooked until you try and put it down. It has terrific characters but the problem is, you never know which ones you can trust.

Louise Gaylord is a published short story writer and a playwright. She divides her time between Houston, Texas; Montecito, California; and the Adirondacks. She is now at work on the next Allie Armington mystery.

Category: Mystery/Fiction
Edition: First
Specifications: Hardcover, dust jacket, 6 x 9, 288 pages
